Tuition

In order to maintain the quality of the *ICS + After School Program*, tuition is based on the total yearly cost. We break this down into weekly payments to make this easier for you. The weekly tuition is \$60.00 per week per child for 4-5 days or \$40 for 1-3 days. In the event that you are receiving a childcare subsidy from an outside agency (e.g. DHS, DCYF, your employer or other 3rd party) & you have a co-payment determined by that agency/agent the following applies, please let us know.

Your signature below shows that you agree to pay your weekly charge in advance of each week by Friday (or close of business on Monday). If payment is not made by Tuesday of the week of care, you will automatically be charged a late fee. This surcharge will be added to your balance.

The cost for picking your child up after 6:00 will be \$1.00 per minute. At the time of your child's enrollment and every September thereafter, you will be required to sign a new contract. Upon reentry, a new contract must be signed. A new contract is also signed whenever there is a change in days or hours.

If you pick your child up late more than 3 times, your child's enrollment will be placed on probation. If lateness reoccurs, you will forfeit your child's enrollment in the program.

A deposit of two weeks tuition (\$120 or \$80) is required at the time of registration. Two weeks vacation/illness are allowed each year. If more than two weeks vacation or sick time is taken, you are responsible for paying for childcare during the extra weeks your child is absent.

Make all checks payable to International Charter School.
